

**Your support is NOW more critical than ever.**

Shelter is the most important element of each family at this unprecedented time.

**In times of crisis, it is always those who are already struggling who are hit hardest.** At Crystal Coast Habitat, we know that many of **our homeowners are in positions at the forefront of the crisis**. A missed paycheck can mean devastation. This can include their mortgage, their job, and their shelter. [Provide Stability for Uncertain times](#).

We have [implemented changes](#) for the safety of our families and our community. While we continue to work towards our mission. Our mission remains the same and unchanged: A need for a safe, stable, and healthy place to call home.

The families we serve, those who are struggling through overcrowded, unhealthy, and unstable circumstances, will be impacted the most. **With a generous gift**, you can help us continue to aid and serve our local families in Carteret and Onslow counties who are in need of a safe and healthy home during this challenging time.

For over 30 years, generous supporters like you have helped us build homes for local families, and this need continues. Together, we will weather this challenge. Thank you for playing your part in the well-being of our community. Your gift can affect one or more families and allow Crystal Coast Habitat to serve in the shelter crisis, ensuring that all have a safe and decent place to call home.

Thank you for your continued support and all your prayers during this challenging time and for playing your part in promoting the well-being of our entire community. Your gift will minimize the impact on our neighbors and build a community where everyone has a safe, decent place to call home.

In Partnership,

Tammy Blizzard  
Executive Director  
Crystal Coast Habitat for Humanity
